## Story 14

### The Father

#### What the Father looks like

<sup>9</sup>*As I looked, thrones were set in place, and the Ancient of Days took his seat. His clothing was as white as snow; the hair of his head was white like wool. His throne was flaming with fire, and its wheels were all ablaze.*

<sup>10</sup>*A river of fire was flowing, coming out from before him. Thousands upon thousands attended him; ten thousand times ten thousand stood before him. The court was seated, and the books were opened.*

*(Daniel 7:9-10 NIV Bible)*

When I read this section, in the Book of Daniel of the Bible, I was very impressed.

This is what the Father looks like, at the Last Judgment. The prophet Daniel has seen this! Imagine that The Father is sitting in the fire! Well, when he showed the way to the Israelites in the desert, during the day he was in a cloud column, but at night he was in a fire. He was with them but it was not possible for them to look at him. They could not see him there.

#### The 22<sup>th</sup> of May 2019

I was singing "What a beautiful name it is". That is a song of Hillsong.

*You were the Word at the beginning, one with God the Lord most High.*

Then I saw God the Father, sitting on the throne of fire, with wheels of blazing fire. I saw him from behind and at the left side. I saw him from afar. (That is because he is so large that you cannot see him completely when you are close, I think.) But I did feel him close. I was so moved by the Father that I was completely in tears.

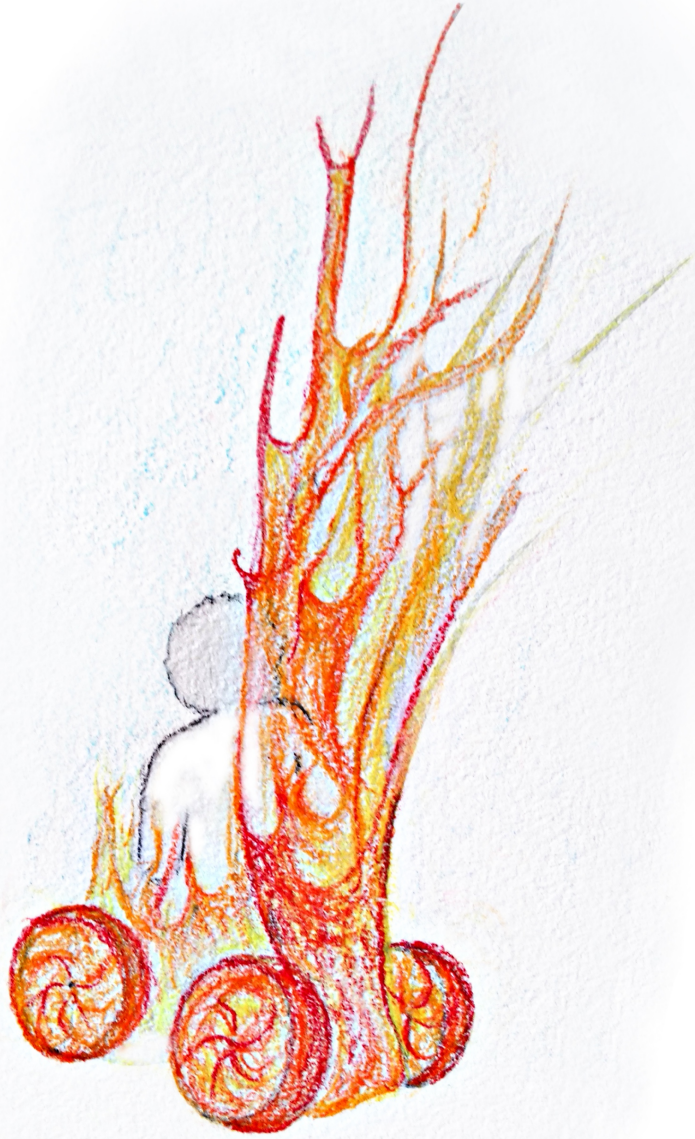

The throne stood still. It was standing on nothing. There was nothing around him, nothing at all, as far as I could see. Perhaps he was resting there; just as he rested after creation on the 7th day.

### Draw a vision

Although I never drew a vision, I thought I should try to draw what I saw in order to share it. I found that difficult, but God did guide my hand.

When I thought it was pretty good, the paper fell off the drawing board. I put it back on, but I didn't see what else to do. Then it fell off again. I hung it up several times, but it fell off again. I used another tape, but again it happened. Then I realized that it might already be finished. So, I started taking photos. I always find it difficult, to get exactly the good colors. But this time, the second photo was good already, after editing.

Jesus thought so too, I felt his tingling from my head to my feet. This makes me feel very humble that I may experience this... You see the drawing on the next page. Imagine that the background, with nothing, extends very far to all sides. As far as you can see you see nothing...
